In Memoriam

Mike Patsy 1956-73

There is one less in our class than there really should be
For Death claimed a classmate in '73.
He had dreamed his dream and great plans made he
But a higher power said, "this cannot be.
I have need of him with me up here
So he must leave behind all he holds dear."
We know he'll do well in God's employ
For he was a very special kind of boy.
